

BALITEX (PVT.) LTD.

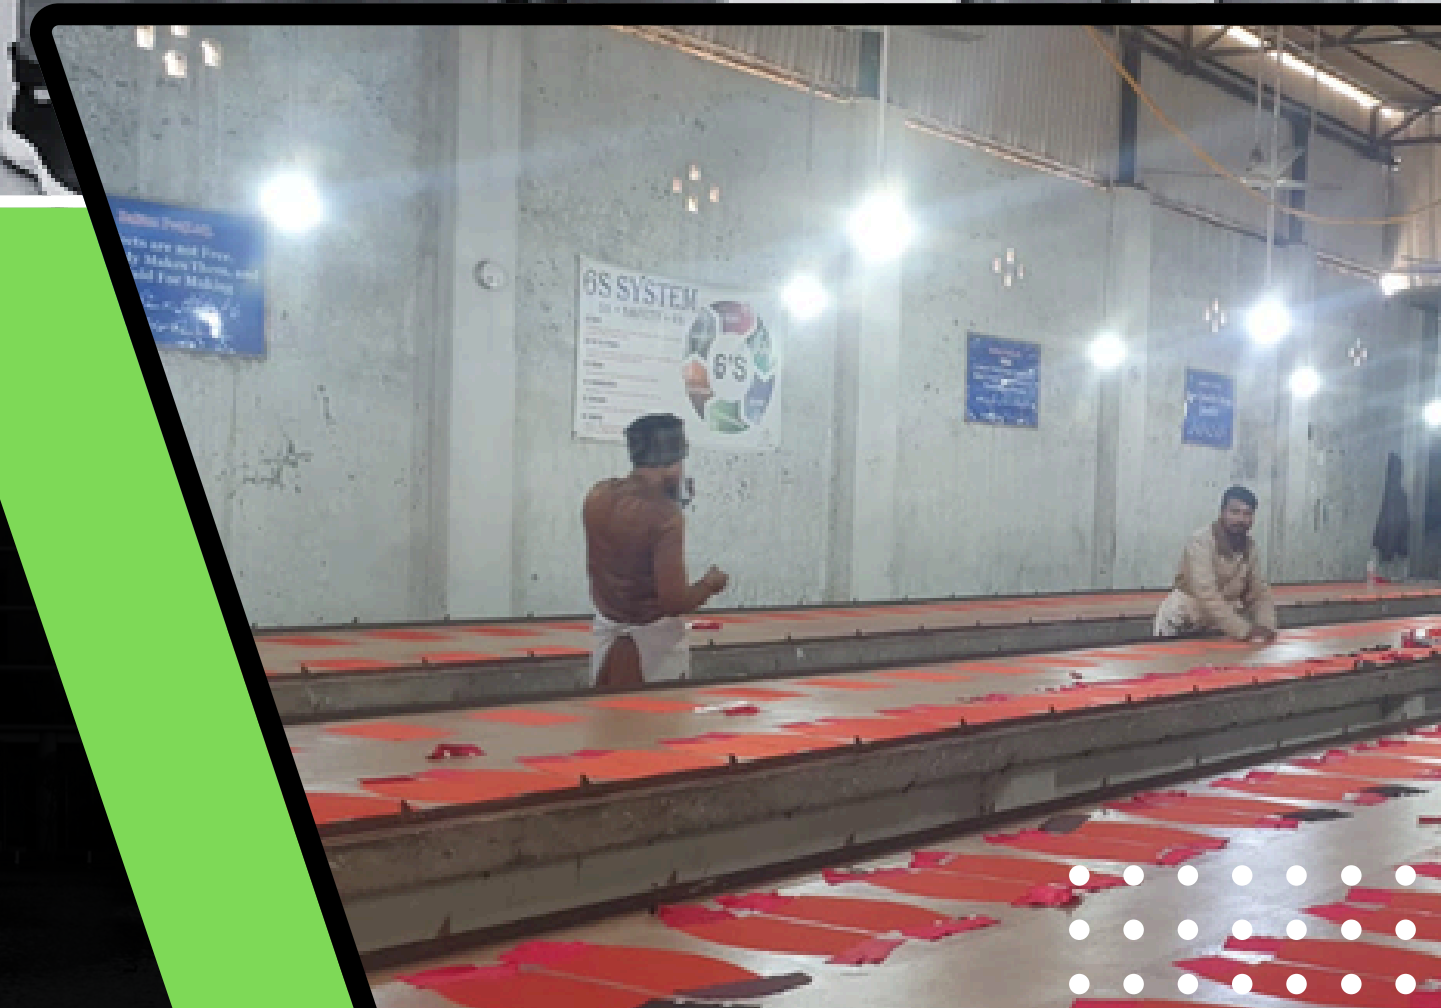

COMPANY PROFILE

ABOUT US

BALITEX (Pvt.) Ltd. is a well established knitwear apparel manufacturing company in Pakistan, founded in 2005. Over the years, the company has built a strong reputation in the global garment industry by delivering high quality products to international clients.

With a commitment to excellence, innovation, and customer satisfaction, BALITEX continues to grow as a trusted manufacturing partner for leading brands worldwide.

CEO MESSAGE

BALITEX (Pvt.) Ltd., we believe that success is built on commitment, consistency, and strong relationships with our clients and team members. Since our establishment in 2005, we have grown from a small stitching unit into a recognized knitwear manufacturing company serving leading international brands across the USA, Canada, Europe, and other global markets.

Under the leadership of our Managing Director, Aman Khan, the company has achieved continuous growth through dedication to quality, innovation.

Mr. Aman Khan
CEO

OUR VISION & MISSION

Vision

Our vision is to become a globally recognized and trusted leader in the knitwear apparel manufacturing industry by consistently delivering premium quality products that meet international standards.

Mission

Our mission is to provide high quality, cost effective, and innovative garment manufacturing solutions that exceed customer expectations in terms of design, durability, and timely delivery.

OUR SERVICES

Product Development & Sampling

We provide complete product development solutions, transforming design concepts into high quality samples.

Fabric Sourcing & Development

With a strong network of trusted vendors, we source and develop a wide variety of knit fabrics including jersey, fleece, terry, pique, rib.

Cutting & Stitching

Our advanced manufacturing facility is equipped with modern machinery and skilled operators to handle precise cutting.

OUR SERVICES

Printing & Embroidery

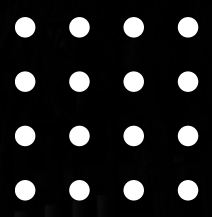

We offer a variety of value added services including screen printing, heat transfer printing, and embroidery.

Quality Control & Assurance

Quality is at the core of our operations. Our dedicated quality control team conducts inspections at every stage.

Finishing & Packing

We provide professional finishing services including trimming, ironing, labeling, and packaging.

BALITEX (Pvt.) Ltd., our Product Development & Sampling department plays a critical role in transforming creative ideas into high quality, market ready garments. We work closely with our clients from the initial concept stage, carefully understanding their design requirements, target market, and technical specifications to ensure precise execution.

PRODUCT DEVELOPMENT & SAMPLING

○ Our team of experienced designers.

○ From pattern making and size grading to fabric selection.

CUTTING & STITCHING

BALITEX (Pvt.) Ltd., our Cutting & Stitching operations are designed to ensure precision, efficiency, and consistent quality throughout the production process. Equipped with modern machinery and handled by highly skilled operators, our facility follows a systematic approach that minimizes errors and maximizes productivity.

○ The cutting department utilizes accurate pattern layouts.

○ Each batch is carefully inspected before moving.

BALITEX (Pvt.) Ltd., we offer high quality printing and embroidery solutions that enhance the visual appeal and branding of every garment. Our value added services are designed to meet diverse fashion and client requirements, ensuring that each product stands out in both design and finish.

- We provide a wide range of printing techniques.
- Our team ensures accurate color matching.

PRINTING & EMBROIDERY

QUALITY CONTROL & ASSURANCE

BALITEX (Pvt.) Ltd., Quality Control & Assurance is a fundamental part of our manufacturing process and a key factor behind our long standing reputation in the global apparel industry. We follow a strict, multi stage inspection system to ensure that every garment meets international quality standards and client expectations.

○ Our quality control process begins with raw material.

○ During production, in-line inspections are carried.

BALITEX (Pvt.) Ltd., our Finishing & Packing department ensures that every garment is delivered in perfect condition, ready for retail presentation and international shipment. This stage is carefully managed to add final value to the product while maintaining strict quality and presentation standards.

○ In the finishing process, each garment is thoroughly checked.

○ We also ensure accurate placement of labels.

FINISHING & PACKING

EXPORT & LOGISTICS MANAGEMENT

BALITEX (Pvt.) Ltd., our Export & Logistics Management system is designed to ensure smooth, efficient, and timely delivery of goods to our international clients. We understand the importance of punctual shipments in the global apparel industry, therefore we follow a well-organized export process that guarantees reliability at every stage.

○ Our experienced export team handles all documentation.

○ We closely coordinate with trusted freight forwarders.
